Perspectives on the World Christian Movement is coming back to FCBC Walnut after 10+ years! This course will help you understand God's plan for the world – and for your life – as you explore the 4 ways: biblical, historical, strategic, and cultural that God is at work. *Perspectives* will open the eyes of your heart with the fresh knowledge of God's unchanging purposes and why they are relevant to your life and in this world now.

For 15 weeks you will have the opportunity to learn from some of the most highly regarded missions leaders and mentors. The speakers will challenge and inspire you to become a World Christian with a new perspective and how you can join God in His goal to reach the nations. Come and join us!

Perspectives can be taken for:

Credit (graduate or undergraduate), Certificate, or Key Reading

The deadline for early registration is November 30, 2018
